Self-Assessment of Peer Feedback

(Use this form to reflect on the peer feedback)

1. Your RUSL ID: **ICT/2016/2017/063**
2. The RUSL ID of the peers who provided feedback:
   a. Peer 1: **ICT/2016/2017/014**
   b. Peer 2: **ASP/2016/2017/059**
3. Summarize the comments given by peer 1
   - She had appreciated the color that I have choose for the portfolio. She had mention that I was maintain a high professionalism and clarity when I was creating this portfolio.
   - Anyone can view the sections of the portfolio by using the navigation bar. Because when a section was selected it changed the color of the text and scroll smoothly to that selected section. So, she had given a plus point to that.
   - She had mention that I should remove Instagram account link and add my GitHub link to that.

4. Summarize the comments provided by peer 2
   - She also gave a plus point to the navigation bar.
   - Also mention that I had maintain a professionalism when creating this portfolio.
   - She had recognized one grammar error in extra-curricular part.

5. Explain how you utilized the feedback to improve your portfolio (what changes did you make based on the feedback)
   - I removed the Instagram account link and add my GitHub account link.
   - I corrected that grammar error in the extra-curricular part.
